

Report on 2 hour classroom session on “LAND & LAND LAWS” for students organized by the District Land & Land Reforms Office and Department Of Geography, Berhampore College.

Date: 23rd February, 2026, Time 11:30 a.m.

The District Land & Land Reforms Office organized a two-hour classroom session for the Pstudents of the Department of Geography, Berhampore College, on 23rd February 2026. The programme was arranged with the objective of providing practical knowledge and training on land and land reform administration. A total of 50 recommended students participated in the session and will be awarded training certificates by the District Land & Land Reforms Office at the end of the programme.

The session commenced at 11:30 a.m. with a warm welcome address delivered by the Principal of the college, Dr Indrani Basu. In her speech, she welcomed the chief guest, resource persons, and officials from the District Land & Land Reforms Office. She emphasized the importance of such practical training sessions in enhancing students' academic and professional skills.

The newly installed display board in the Geography computer laboratory was inaugurated by **Sri P . Promoth, ADM(LR, MSD)**. He emphasized the role of digital tools in improving the quality of education and encouraged students to make effective use of new facility. **Mr. Munazir Hussain (Assistant Director, WBLRS) and Abbas Selim, (Revenue Officer Murshidabad)** delivered a valuable and informative speech on land management, land records, and the role of the Land & Land Reforms Department in administration and development. Their speech provided deep insight into the practical aspects of land reforms and encouraged students to explore career opportunities in this field.

The session was highly interactive. All the participating students engaged in firm and positive interactions with the resource persons. They asked relevant questions and showed keen interest in understanding the administrative procedures and practical applications of land reform policies.

At the end of the programme ,the HOD, the Department of Geography delivered the vote of thanks. She expressed her gratitude to the Principal, the Chief guest, faculty members, IQAC coordinator,TCS and students for their wholehearted cooperation and contribution.The classroom session concluded on a successful note, living everyone inspired and motivated.
