Agenda ii) The coordinator extended her gratitude to all members of IQAC for successful organisation of the workshop on "Relevant aspects of the NAAC in the perspective of New Education Policy. The event was organized on a grand scale (Representatives of 25 colleges came) and received overwhelming response, participation and appreciation. This workshop represented a farsighted initiative, undertaken by the state-level as well as district mentors for NAAC to inform colleges about and to guide them towards accelerating the NAAC accreditation process. Shortcomings of each institution were successfully discussed and strategies to resolve and improve upon already existing efforts were organized. HEI also shared the presentation materials provided to us by the honoured resource persons Prof. T.K.Ghara and Dr. Jaydip Sarangi with other colleges so they could get a crystal clear idea about the accreditation process. IQAC has also been able to generate the required enthusiasm to work in collaboration with one another for collective success. We moreover, successfully motivated colleges that were still not accredited, to go through the process as quickly and efficiently as possible. The colleges are now in contact with us and were inspired by the overall message of the seminar. Co-ordinator also informed that a report of this event including SWOC analysis has been uploaded in college website.

The entire course will be provided at free of cost. Hon'ble Principal sir has accepted the proposal after consulting with members of IQAC and advised the coordinator to take necessary steps to organize the programme in consulting with Career Placement cell as well as committee for Competitive examination.
