Report on the Visit to Agricultural Fair and Cultural Performance

Nature of Programme: Visit to Agricultural Fair and Cultural Performance

Venue: Ramakrishna Mission Ashrama, Sargachi **Date:** 13.01.2026

Introduction: As part of its commitment to experiential learning and community engagement, Berhampore College organized a visit of its students to the Agricultural Fair held at Ramakrishna Mission Ashrama, Sargachi, on 13 January 2026. Educational institutions place special emphasis on extending learning beyond the classroom by encouraging students to engage with real-life practices and cultural platforms. In this context, the visit to the agricultural fair served as an important educational and cultural initiative. It provided students with an opportunity to observe modern agricultural practices and participate in cultural activities, thereby strengthening their academic understanding and social involvement.

Brief Description of the Programme: The students of Berhampore College visited the Agricultural Fair organized at Ramakrishna Mission Ashrama, Sargachi, under the guidance and supervision of faculty members. The fair featured various stalls displaying modern agricultural tools, improved seeds, innovative farming techniques, and information related to rural development. Students actively explored these exhibits and gained valuable insights into contemporary agricultural systems and rural economy. In addition to the educational visit, students of Berhampore College also participated in cultural performances on the main stage of the fair. The male students presented a musical performance, which was appreciated by the audience for its artistic quality and presentation. The female students performed a dance, which added cultural vibrancy and enthusiasm to the event. These performances reflected the creative talents of the students and enhanced the cultural presence of the college at the fair.

Conclusion: A total of 35 students and teachers visited the Agricultural Fair at Ramakrishna Mission Ashrama, Sargachi, which concluded on a highly enriching and successful note. The active participation of students in both educational exploration and cultural performances significantly enhanced the overall impact of the programme. Through their engagement with agricultural exhibits and their artistic presentations, students gained valuable knowledge and practical experience. The programme not only contributed to their academic enrichment but also promoted cultural expression, confidence, and community interaction. Overall, the initiative reinforced Berhampore College's commitment to holistic education, experiential learning, and meaningful student participation in social and cultural activities.
